

## CONFLICT OF INTEREST NOTICE – JUDGES

BOMA attempts to keep its award programs as objective as possible. We ask the judges and the entrants to assist us in marking the judging teams as impartial as possible by reviewing the entrant and judges lists and noting where a conflict of interest may exist.

For example, someone from the same company or a vendor currently under a service contract should be noted and removed from a judging team. Personal conflicts may also exist. Reasons do not have to be noted. Please use the attached list to complete this form.
